## CANADIAN MANGANESE COMMENCES TRADING ON OTC PINK MARKET

---

Toronto, May 11, 2022 – Canadian Manganese Company Inc. (“CDMN” or the “Company”) (NEO: CDMN; OTC: CDMNF) is pleased to report that the Company’s common shares have commenced trading on the OTC Pink Open Market under the symbol CDMNF.

This development allows investors to execute trades in the Company’s common shares in the United States and in U.S. currency.

The Company has also submitted an application to trade on the OTCQX, the most senior of the OTC Markets, which application is currently being reviewed. The Company’s application is subject to approval, which the Company has been advised takes approximately two months.

These initiatives are part of the Company’s continuing strategy to provide enhanced liquidity to its shareholders and potential investors.

### ABOUT CANADIAN MANGANESE

---

CDMN is a Canadian mineral development company aiming to become a supplier of high-purity manganese metal products for the rechargeable battery industry. CDMN holds the Woodstock Project in New Brunswick.

**Notice regarding forward-looking statements:**

*This news release includes forward-looking statements regarding CDMN, and its respective businesses, which may include, but are not limited to, statements with respect to the timing of additional assay results and the ability to provide a Mineral Reserve, the expected plan to become a supplier of high-quality manganese metal products. Often, but not always, forward-looking statements can be identified by the use of words such as “plans”, “is expected”, “expects”, “scheduled”, “intends”, “contemplates”, “anticipates”, “believes”, “proposes” or variations (including negative variations) of such words and phrases, or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. Such statements are based on the current expectations of the management of each entity. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections, or conclusions will not prove to be accurate, that assumptions may not be correct, and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited, risks regarding the mining industry, economic factors, the equity markets generally, risks associated with growth and competition as well as those risks and uncertainties identified and reported in the Company's public filings under its SEDAR profile at [www.sedar.com](http://www.sedar.com). Although CDMN has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. No forward-looking statement can be guaranteed. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and CDMN undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.*
